

Immaculate Conception School Belief Statements

WE BELIEVE THAT:

- Our primary mission is to teach, communicate and live the gospel message of Jesus.
- Catholic-Christian values should be integrated in all curriculum areas and school activities.
- Students will develop a love and knowledge of God through prayers, the sacraments and the teachings of the Catholic Church.
- Mary, the Mother of God, patroness of our school, is our model in faith and Christian virtues.
- Upholding high standards and expectations challenge each student and teacher to reach his / her potential(s).
- A safe, orderly and respectful environment is necessary for a quality Catholic education.
- Parents and the school are collaborators in the formation and education of each child.
- Students, parents, faculty, and staff should treat each other with dignity and mutual respect.
- Children need to be nurtured spiritually, intellectually, physically and socially.
- Communication and mutual support between home and school are vital to students' success.
- Our curriculum is a tool to guide instruction that will build knowledge and skills for all students.
- Ongoing assessment of student learning and development should utilize a variety of methods, guide instruction and provide feedback on both learning and teaching.
